

Construction Continues at Ielə̀m

ACADIA ROAD

- Is scheduled for pavement restitution from Toronto north to University Boulevard and from University Boulevard to Wycliffe next week Tuesday, subject to weather delays between now and then.
- Acadia between Toronto and University Boulevard will be closed for a few days prior to paving to replace a manhole lid.
- Detours will be in effect for these works.
- The new Sales Centre is nearing completion and is scheduled to open to the public in January.
- Landscaping of the boulevard is proceeding with most of the street trees in place.

ROAD A & ROAD B

- Both roads through the Ielə̀m development are now paved but remain closed to the public throughout the construction on the development parcels.
- This will allow for less interruption to local traffic on Acadia and University Boulevard.

TORONTO ROAD

- The BC Hydro underground service works are now complete.
- The asphalt will be re-instated along with the pavement work on Acadia.

MINISTRY OF TRANSPORTATION AND HIGHWAYS RECONSTRUCTION OF UNIVERSITY BOULEVARD

- The works have now been completed.
- Note the left turn lanes to Road A & Road B are for construction vehicles only. No through traffic is allowed.

Hours of Work: 7:30 am to 7 pm (Monday to Friday) and 9 am to 4 pm (Saturday). **These hours do not refer to the Ministry of Transportation and Highways reconstruction schedule.** Please use caution and allow yourself extra time.
