

CALL FOR EXPRESSIONS OF INTEREST

SHALIMAR PLACE TOWNHOMES LOGO DESIGN

Musqueam Capital Corporation (MCC) invites Expressions of Interest from emerging to established Musqueam artists and artist teams to submit designs for a new logo for our Musqueam Asset at Shalimar Place Townhomes. [MCC will be responsible for the production and installation costs of the new signs and materials.](#)

The artwork will represent Musqueam as stewards of the land, being inclusive of our manners and customs in our day-to-day interactions, and in the respect we show to others and to our work. The logo should use traditional Coast Salish art elements and is open to interpretive art forms. The public art will replace the previous company signage, which will provide a sense of Musqueam presence and ownership.
